

# This is an Operation Encompass school

**Operation  
Encompass**

Supporting children through key workers

**Too many children stay silent when they witness domestic violence at home.**

Operation Encompass shares the right information with our school, so we understand what is affecting the child, to give support and make sure they feel safe and included at school.

For more information, visit [www.newcastle.gov.uk/operationencompass](http://www.newcastle.gov.uk/operationencompass)
