Safeguarding Statement

At Our Lady & St Anne's Catholic Primary School we respect and value all children and are committed to providing a caring, friendly and safe environment for all our pupils so they can learn, in a relaxed and secure atmosphere. We believe every pupil should be able to participate in all school activities in an enjoyable and safe environment and be protected from harm. This is the responsibility of every adult employed by, or invited to deliver services at Our Lady & St Anne's Catholic Primary School. We recognise our responsibility to safeguard all who access school and promote the welfare of all our pupils by protecting them from physical, sexual and emotional abuse, neglect and bullying.

School Aims

1. Policy Statement

Our Lady and St. Anne's Catholic Primary School is committed to creating an environment where exemplary behaviour is at the heart of productive learning. Everyone is expected to maintain the highest standards of personal conduct, to accept responsibility for their behaviour and encourage others to do the same.

The Governing Body and staff at Our Lady and St. Anne's Catholic Primary school believe that positive learning behaviours are fundamental to success in the classroom for both children and staff. Positive behaviour results from excellent relationships between adults and children and a well-planned and delivered curriculum that stimulates children to learn, ask questions, debate, and challenge themselves. Behaviour for learning is behaviour which encourages learning to take place. Positive behaviour needs to be taught, modelled, expected and praised. Poor or unacceptable behaviour needs to be challenged.

Children learn best and feel safe and secure in an ordered environment. This can be achieved when expectations of learning and behaviour are high and behaviour management techniques are consistently applied throughout the school by all members of the school community.

Our Relationship and Behaviour policy guides staff to teach self-discipline. It echoes our vision, school aims and Gospel values.

We follow five Steps to Success as part of our behaviour policy across school. They are as follows;

- Listen with respect
- Be kind and treat everyone as you wish to be treated
- Be truthful
- Take care of everything in our school
- Keep yourself and others safe

At Our Lady and St. Anne's Catholic Primary School, we teach behaviour as part of our curriculum. Our values are modelled consistently through our Steps to Success, Personal, Social, Health and Economic curriculum, Relationships and Health curriculum and Religious Education curriculum. We also teach Zones of Regulation across school.

2. At Our Lady and St. Anne's we aim to:

- Foster excellent relationships between all members of our community by displaying genuine care, trust and understanding so we can all work together to create the very best learning environment.
- Ensure that all members of our community are treated fairly and shown respect so we create a safe, comfortable and nurturing environment where we can all achieve.
- Ensure all staff and pupils are aware of the very high standards of behaviour that are expected of them, and take responsibility for promoting these high standards.

- Help learners develop life skills including self-regulation, empathy, social awareness and recognise that every action has a consequence.
 - Use restorative approaches.
 - Build a community which values and models kindness, good humour, tolerance and empathy for others.

3. Purpose of the policy

To provide simple, practical procedures for staff and learners that:

- recognise what is normal behaviour;
- reinforce positive behaviour;
- promote self-esteem and self-discipline;
- teach appropriate behaviour through positive interventions.

4. Fundamental principles

All members of our school community have the right to:

- feel secure and safe;
- feel happy and be treated with kindness and understanding;
- be treated fairly and consistently;
- be listened to (at an appropriate time);
- be treated with respect and dignity;
- be treated with empathy.

The fundamental principles which underpin our Relationship and Behaviour policy are:

- unconditional positive regard for all pupils;

- a no shouting policy;
- a focus on choice: we refer to good choices (which lead to good consequences) and choices which are poor (which lead to negative consequences).

4.1 The main reasons for using a language of choice are:

- Self-management of behaviour and reflection on behaviour choices made i.e. there are always different behavioural options. Any poor behaviour is a result of the choices made rather than negative expectations associated with 'labelling' a child.
- Recognising, acknowledging and rewarding pupils for their positive choices, use of our three behaviour rules of Ready, Respectful, Safe.
- Consistency in behaviour management based on our whole school structure where all staff are expected and empowered to effectively manage behaviour.
- Adopting a positive and assertive approach, where clear boundaries are set and enforced consistently, fairly, calmly and firmly.
- Using 'Reflection Time' and 'Zones of Regulation' in class to create a positive climate for learning and to create more awareness of how to self-regulate.
- Encouraging pupils to be proud of their school.
- Using 'PSHE, RHE and Social Time' activities as appropriate to tell children what positive learning behaviours look like and to discuss how to deal with certain situations.
- Encouraging pupils to be responsible for their own behaviour and goals and have a sense of collective responsibility.

5. Consistency of approach

In implementing this Relationship and Behaviour policy, Our Lady and St. Anne's Catholic Primary School acknowledges the need for consistency.

- Consistent **language** and consistent response: simple and clear expectations reflected in all conversations about behaviour
- Consistent **follow up**: ensuring “certainty” at the classroom and Senior management level. This means never passing problems up the line, teachers taking responsibility for behaviour interventions, seeking support but never delegating
- Consistent **positive reinforcement**: routine procedures for reinforcing, encouraging and celebrating
- Consistent **consequences**: defined, agreed and applied at the classroom level as well as established structures for more serious behaviours
- Consistent **expectations**: referencing and promoting appropriate behaviour
- Consistent **respect from the adults**: even in the face of disrespectful learners
- Consistent **models of emotional control**: emotional restraint that is modelled and not just taught, teachers as role models for learning
- Consistently **reinforced rituals and routines** for behaviour around the site: in classrooms and around the school
- Consistent **code of conduct** evident of our values

“Consistency lies in the behaviour of adults and not simply in the application of procedure. A truly sustainable consistent approach does not come from a tool kit of strategies but in the determination of every member of staff to hold firm. The key is to develop a consistency that ripples through every interaction on behaviour. Where learners feel treated and valued as individuals they respect adults and accept their authority.” **Paul Dix**

The aims of this policy will be met by everyone observing our 3 agreed rules. These are:

- **1. Be ready to learn**
- **2. Be respectful**
- **3. Be safe**

By displaying behaviours linked to following these 3 rules we will create a safe and positive learning environment which leads to a culture of excellence and success.

5.1 All staff every day will:

- Meet and greet children at the classroom door/school gate.
- Refer to Ready, Respectful, Safe - the behaviours they expect to see.
- Model positive behaviours and build relationships.
- Plan and support lessons that engage, challenge and meet the needs of all learners.
- Use a visible recognition mechanism throughout every lesson (count down from 5 will be used across the school and a positive recognition board will be used in every classroom).
- Be calm and “give take up time” when going through the steps, prevent before sanctions.
- Follow up every time, retain ownership and engage in reflective dialogue with learners.
- Record all incidents on CPOMS.
- Never ignore or walk past learners who are making / displaying poor behaviour choices.

5.2 Leaders – subject leaders / UPS teachers:

Leaders are not expected to deal with behaviour referrals in isolation. Rather they are to stand alongside colleagues to support, guide, model and show a unified consistency to our learners

- Meet and greet learners at the beginning of the day.
- Be a visible presence to encourage appropriate conduct.
- Support staff in returning learners to learning by sitting in a reparation meeting and supporting staff in conversations.
- Regularly celebrate staff and learners whose efforts go above and beyond expectations.
- Encourage use of wow slips, positive notes and positive phone calls/messages.

5.3 Senior leaders will:

- Meet and greet learners at the beginning of the day.
- Be a visible presence across the school and especially at transition times.
- Celebrate staff, leaders and learners whose effort goes above and beyond expectations.
- Regularly share good practice.
- Support staff in managing learners with more complex or entrenched negative behaviours.
- Use behaviour data to target and assess school wide behaviour policy and practice.
- Regularly review provision for learners who fall beyond the range of written policies.

5.4 Pupils will:

- Be ready to learn
- Be respectful
- Be safe

5.5 Parents / Carers will:

- Encourage independence and self-discipline, to show an interest in all that their child does in school and to offer a framework for social education.
- Foster good relationships with the school and support the school in the implementation of this policy.
- Make children aware of appropriate behaviour in all situations and to be aware of the school rules and expectations.

6. Recognition and rewards for effort

We recognise and reward learners who go “over and above” our standards. Although there are tiered awards, our staff understand that a quiet word of personal praise can be as effective as a larger, more public reward.

6.1 Classroom level

- Praise for choice
- On to class recognition board
- Postcards
- Mention/Note/phone call to parents.

6.2 Whole School level

- Weekly Achievement Assembly with a behaviour focus included
- Hot chocolate with the Head termly (each teacher nominates 1 child)
- End of term Achievement Assembly – certificates for star of the term with a behaviour focus included
- Postcards home
- Positive cards sent home
- Positive mention to parents

7. Managing Daily Behaviour in the classroom - Positive Recognition Boards

“The advertising of poor behaviour to the rest of the class doesn’t help, but routinely advertising the behaviour that you do want does” Paul Dix

Each class will have a Recognition board. The teacher will write at the top of the board the behaviour they are focusing on.

Examples could include “One voice” for classes who constantly talk over each other,” speak politely” to emphasise manners or hands and feet to yourself, for those who give them to others too freely. The focus can also relate to learning behaviours “Accurate peer feedback” persuasive language” or “show working”

When the teacher sees children demonstrating the behaviour well, they will write their name on the board. The recognition board is not intended to shower praise on the individual. It is a collaborative strategy: we are one team, focused on one learning behaviour and moving in one direction. At the end of the lesson /session/day (depending on context) the aim is for everyone to have their name on the board.

7.1 Nine ways to sharpen use of recognition boards – Paul Dix

1. Target your recognition board at learning attitudes not just functional behaviours. Make sure that the behaviour you choose raises the expectation for the children and is not “simply something they can already do well.”
2. Name or tallies go on the board to recognise pupils who are demonstrating the desired learning attitude.
3. Names or tallies are never removed from the board. Learners who disrupt are dealt with privately. Once a name is on the recognition board for good conduct it cannot come off for poor conduct.
4. Learners can nominate others to be put on the board. Try stopping an activity after 15mins and ask them to write up 2 names of other children who have been consistently demonstrating the desired behaviour.
5. Emphasise peer responsibility. It is not a competition between individuals, rather a whole class helping everyone get their name on the board.
6. Recognition boards need to be refreshed regularly; daily or weekly depending on age of children and context in which you are working.
7. Pupils are recognised for effort not achievement.
8. When everyone's name is on the board a collective “whoop” is appropriate.
Large rewards are not necessary
9. Use the recognition board to persistently and relentlessly catch learners demonstrating the right behaviours.

7.2 Practical steps in managing and modifying poor behaviour

Engaging with learning is always the primary aim. For the vast majority of learners, a gentle reminder or nudge in the right direction is all that is needed. Although there are occasions

when it is necessary, every minute a learner is out of a lesson is one where they are not learning. Steps should always be gone through with care and consideration, taking individual needs into account where necessary. Staff should **always and consistently in every lesson, be praising the behaviour they want to see.**

Learners are held responsible for their behaviour. Staff in the vast majority of situations will deal with behaviour without delegating. Staff will use the steps in behaviour for dealing with poor conduct and wrong choices. All learners must be given “take up time” in between steps.

It is not possible to leap or accelerate steps for repeated low-level disruption.

8. Stages of behaviour

If a child has an individual behaviour plan this should be followed

Stage 1 - Redirection
<p>Positive reinforcement of other children around them “X thank you for sitting so beautifully.”</p> <p>A visual cue to the child that you want them to make a good choice this could include</p> <ul style="list-style-type: none">• a ‘look’• a visual point towards what you expect.
Stage 2 - Reminder
<p>A reminder of the expectations Ready, Respectful, Safe delivered privately wherever possible. The adult makes learner aware of their behaviour. The learner has a choice to do the right thing. (Give take up time)</p> <p>If appropriate, make links with the zones of regulation.</p> <p>Praise them when they positively change their behaviour, acknowledging the positive change.</p>
Stage 3 - Warning
<p>If the behaviour persists:</p> <p>A clear verbal caution delivered privately to the learner making them aware of their behaviour and clearly outlining the consequences if they continue. The learner has the choice to do the right thing. Learners will be reminded of their good previous conduct to prove that they can make good choices.</p> <p>Scripted approaches at this stage are encouraged (see appendix) If appropriate, make links with the zones of regulation.</p>

Praise them when they positively change their behaviour, acknowledging the positive change.

Stage 4 - Consequence

If the behaviour still persists:

- The learner is asked to speak to the teacher away from the others.
- Boundaries are reset – child is informed they will miss part of their playtime.
- Learner is asked to reflect on the next step. Again, they are reminded of their previous conduct/attitude/learning.

Learner is given final opportunity to engage with the learning/follow instructions. At this point if necessary to cool down/diffuse situation, the learner can go to a time out /space in the classroom to reflect on their behaviour. (3- 5mins in general should be enough)

Time out in an allocated space within the classroom / just outside the door.

- Child will miss part of their play time – time allocation is age appropriate.
Adult in the class will oversee this and ensure a short reflection conversation takes place.
- If a child misses part of their playtime, the adult is responsible for logging the incident on CPOMs – under behaviour category.
- Class teacher to inform parent at the end of the day / send a template text.

Stage 5 Internal referral – Lunchtime duty with SLT

If the behaviour escalates / child refuses to move to time out then pastoral leader is called / member of SLT

Internal Referral – Lunchtime duty

If the step above is unsuccessful, or if a learner refuses to take a time out, then a learner will be asked to leave the room and go to their parallel partner class. If necessary, the learner may need to work outside their teaching area with a member of SLT.

If a child has been out of class/not completed learning based on our shared minimum expectations, they are expected to complete their work during part of lunchtime with the senior leader. This will also be used as a reflection time where the adult will discuss with the child the choices they made and how this can be improved.

- Whenever an adult is called, staff are to log incident on CPOMs – under behaviour category.
- Adult who dealt with the initial stages of behaviour will start the log.
- Pastoral leader / SLT will need to log child onto lunchtime duty tracker.
- After lunchtime duty has been completed, SLT will ensure someone in the office informs the child's parents of the incident.
- Lunchtime duty will take place in the hall.

Stage 5b – Non-negotiable behaviours

If a child displays a non-negotiable behaviour, they will automatically spend lunchtime with SLT.

No warnings need to be given for this consequence.

Depending on the severity of the behaviours shown, the consequence may be an internal suspension or fixed term suspension. This decision will be made by the Headteacher or the deputy in her absence.

- Deliberately not following hygiene rules in place e.g., spitting, wiping their hands on another person
- Sexist / racist / homophobic comment
- Swearing
- Physical aggression towards a peer/adult
- Verbal aggression towards a peer/adult
- Rudeness towards an adult
- Deliberate damage to school property

- The member of staff who dealt with this incident is required to complete the lunch time duty and log incident on CPOMs.
- After lunchtime duty has been completed, parents will be informed by school of the incident.
- Lunchtime duty will take place in the hall.

Stage 6 – Violent behaviours

The following non-negotiable behaviour may result in a fixed term or permanent exclusion.

- Physical aggression towards an adult/ peer
- Repeated patterns of aggressive behaviour towards an adult / peer
- Deliberate and destructive behaviour

Staff will always deliver any of the above sanctions calmly and with care. It is in nobody's interest to confront poor behaviour with anger.

8.1 Supporting behaviour at lunchtimes

As part of our ethos, all staff are expected to be proactive in managing and dealing with behaviour. To foster good relationships, staff will consistently 'catch children being good' and share this with them.

Behaviour incidents should be managed at lunch time in line with the policy. Children who are displaying 'negative behaviours' should be spoken to first and given a warning. If this continues, they should be given a short time out and asked to stand near the adult during the consequence. Serious incidents of non-negotiable behaviours should be addressed by staff and referred to SLT.

8.2 Reparation conversation

As part of our approach to managing behaviour, adults should hold a reparation conversation for any child who reaches stage 5. This conversation will normally take place during lunch time duty. Sometimes it may include other adults / children.

Staff will have a script for the restorative conversation that they feel comfortable with. SLT will choose the appropriate questions from below and address each together, recording responses.

1. What happened?
2. What were you thinking at the time?
3. What have you thought since?
4. How did this make people feel?
5. Who has been affected?
6. How have they been affected?
7. What should we do to put things right?
8. How can we do things differently in the future?

Responses should be saved to CPOMS.

8.3 Behaviour Report

If behaviour is consistently poor as shown by internal referrals, lunchtime duty logs or becomes a cause for concern, a formal meeting with parents will take place. This will be led by a member of SLT. There will then be agreed targets that will be monitored over a set period of time agreed by school and parents. This will be known as the child being placed on 'Behaviour plan'. Behaviour plans and agreed targets will be managed discreetly. We do not

advertise poor behaviour to other learners or give fame to those who choose not to meet our high standards of behaviour.

8.4 Suspensions:

For very serious offences, the head teacher will consider suspension in line with statutory guidance. Parents will always be informed at the earliest opportunity and a meeting will be arranged to discuss the reasons for the suspension and positive steps forward at the beginning of the suspension and before the child returns to school at a reintegration meeting. Suspension is always a very last resort.

9. Getting the Basics Right – Ensuring visible consistency

These simple consistencies are key to the success of the policy and need to be adhered to by all staff

At the start of the day	Children should be welcomed into school and into the classroom. This includes the SLT being visible and staff standing at their classroom door/school gate.
On arrival	Children walk calmly straight into the classroom, put their belongings away and settle immediately into morning activities.
Playtimes / end of lunch time	Teachers need to be out promptly at the end of playtimes/lunchtimes to greet their class. Teachers will be proactive in ensuring children are ready to go into class.
Transitions	Children are expected to walk calmly and quietly around school.
Lunchtimes	Children eat calmly and without raising their voices. Sensible walking around the dining room / classroom. Children ensure they have cleared their space when they have finished eating. All staff are proactive in responding to incidents.
End of the day	Once the children have their belongings, they can work calmly on their end of day activity before being dismissed. Adults say goodbye to children. Visible presence by SLT.

10. The Power to discipline beyond the School Gate

Whether to discipline children regarding behaviour outside the school gates is at the Headteacher's discretion (or at the discretion of staff authorised by the Headteacher) in conjunction with DfE guidance.

If sanctions are deemed necessary, they will be applied in line with the Behaviour Policy.

The Governing Body strongly believes that for pupils of primary school age, it is their parents' responsibility to ensure that they are well-behaved outside school hours and in particular on their way to and from school.

11. Searching pupils

The Headteacher and staff authorised by the Headteacher have the power to search pupils or their possessions, without consent, where they suspect the pupil has weapons, alcohol, illegal and legal drugs and stolen items. If a search is thought necessary this is always carried out by two members of staff. The Headteacher and staff authorised by them have a statutory power to search pupils or their possessions without consent if they have reasonable grounds to suspect:

- Knives or weapons
- Alcohol
- Illegal drugs
- Stolen items
- Tobacco and cigarette papers
- Fireworks
- Pornographic images

Any article that the member of staff reasonably suspects has been, or is likely to be used to:

- Commit an offence
- Cause injury or damage
- Any item banned by school rules

School staff can remove any prohibited item from a child found as a result of a search. They can also remove any item from a child, however harmful or detrimental to school discipline. Staff carrying out a search should have a witness unless there is risk of serious harm if not conducted immediately or where it is not reasonably practicable to summon another member of staff.

12. Positive Handling

For Positive Handling and Reasonable force, Our Lady and St. Anne's Catholic Primary School makes use of the DfE guidance: Use of reasonable force in schools (2013)

Any force used should always be the minimum needed to achieve the desired result. Key staff at Our Lady and St. Anne's Catholic Primary School have had the appropriate training to use positive handling, force and restraint appropriately and safely and are certified to use this approach, although we would only resort to this in extreme circumstances where a child or adult is in danger. All incidents which require the use of positive handling or restraint will be reported to a member of the Senior Leadership Team and a log of incidents is kept on CPOMS. Parents will be informed of any incident where force or restraint has been used with their child.

13. Procedure in the event of a child running away from an adult

In the unlikely event of a child running out of class or (in extreme circumstances) the building, and they do not respond to requests to return, parents will be called and asked to come to school. Staff will not chase children as this may cause them to run into further danger, but will observe from a distance and keep in contact with the school via mobile phones.

If a child leaves the school site the police will be contacted for the safety and wellbeing of the pupil.

14. Equality

The school expects all members of the community to adhere to this policy consistently, fairly and without prejudice. The school adheres to the Equality Act 2010 in reference to this policy. No member of staff will discriminate against, harass or victimise children because of their: sex; race; disability; religion or belief; sexual orientation; or because of gender reassignment. For children with SEND, this includes a duty to make reasonable adjustments to policies and practices.

- Reasonable adjustments for pupils will be recorded on an individual behaviour plan or an SEN pupil profile outlining the provision needed for a particular individual. This may include the development of behaviour modification strategies with the advice of external agencies eg. Educational Psychologist, behaviour consultant, Social Services or CYPS.
- A reduced timetable may be put in place in line with guidance from the Local Authority. Children on reduced timetables will be reported to the Local Authority and Governors. The Primary objective is for these children to return to full time provision as soon as possible.

- A risk assessment based on prior behaviours may result in the pupils being restricted from some activities such eg. attending school trips but only if the behaviour is dangerous.

15. Supporting pupils with SEND

Expectations for managing behaviour of pupils with SEND:

For pupils with SEND their behaviour is often a form of communication and the meaning behind this communication might not always be clear. Children who are showing negative behaviours might not be doing this on purpose and might find it difficult to communicate their needs or feelings in a calmer or clearer way. It might be because they are feeling anxious and are seeking reassurance. It is important that for these pupils, we look at their behaviour as part of them and something that we can help them understand and manage.

Using the Zones of Regulation approach will help identify the child's feelings, triggers and appropriate way to respond.

All adults, who will be teaching a group of pupils, are personally responsible for knowing a child's individual needs before teaching them. They should ensure they have accessed the child's IEP- Individual Education Plans. Teachers need to use IEPs to understand what works and what doesn't work for that child. For example: If a child has ADHD and possibly has difficulty keeping calm and focussing, taking away their playtime could be detrimental to their behaviour for the rest of the day as they require physical time. There would have to be other steps/approaches in place for that child that should be followed.

Behaviour scripts and systems can be adapted to suit the needs of individual pupils.

If a child does not respond to policy systems, evaluate why and what would work better for that child. Their individual plan and adapted expectations for behaviour should be on their IEP which will be monitored by the Inclusion Leader. A children's triggers for negative behaviour need to be on their IEP so that everyone can be aware of these.

Teachers who are preparing their classes to be covered by someone else must ensure IEPs and adapted approaches are left out and/or communicated with covering teachers / adults so the approach to managing their behaviour is always consistent. Teachers will need to be particularly aware when leaving a child with attachment needs or who have previously suffered trauma.

Behaviours that children with SEND that might exhibit to try and communicate with you:

- work avoidance- this might be because they have not understood instructions or require reassurance that they are doing the right thing.
- focussing their attention on the adults- following and asking repeated questions- this might be for more reassurance that they doing the right thing or that they are liked.
- calling out- this might be so they feel noticed and to also feel reassured

16. Parent concerns

If a parent is not satisfied with the manner in which their child has been sanctioned, then they should take the following action:

- Contact the child's teacher – either via email or call the school office
- Arrange an appointment with the teacher / phase leader.
- Arrange an appointment to see the Deputy Headteacher or Headteacher.

If, after talking with teachers and/or the Headteacher, parents are still not satisfied then they should contact the Chair of Governors.

17. Accountability

It is the responsibility of the Head Teacher to:

- Provide a framework for consistent behaviour monitoring in school.
- Ensure that all staff are following the policy and review the policy accordingly.
- Issue fixed-term and/or permanent exclusions to individual pupils.

18. Governors

The governing body has the responsibility of setting down this policy and establishing overall aims on standards of discipline and behaviour, and of reviewing the effectiveness of this policy. The governors support the Head Teacher in implementing this policy. The Head Teacher has day-to-day responsibility to implement the school relationship and behaviour policy, but must keep governors updated.

19. Is the policy working?

With all of the above reward systems we need to constantly evaluate:

- Is this policy manageable to implement ensuring consistency across the whole school?
- Are the procedures and strategies having an impact on individuals/classes where pupils are taking responsibility for their own behaviour?
- Are pupils developing the behaviours for learning?
- Does the policy ensure the involvement of all adults, pupils and parents thus developing a safe and emotionally literate environment?
- Do routines and approaches to behaviour need to be adapted to suit particular needs of children (including children with SEND)?

- Do children actively use their school values to make positive choices rather than just use them to reflect on behaviours after negative choices?
