

Spring 2: Year 6

English

In class, we are reading:

With a focus on:

- Explore the use of **speech** and learn to correctly **punctuate** it
- Use our **senses** to write **evocative** sentences
- Use **alliteration**, **repetition** and **similes** for effect
- Revise our use of **punctuation** including semi-colons
- Use a wide range of time **adverbials**
- Explore the effects of **simple** and **complex** sentences

Children will read I:I with an adult, in small groups and during whole class guided reading sessions. We will continue to read with fluency, expression and intention.

In Guided Reading, we will continue to develop our retrieval and inference skills.

Maths

In Maths, we will learn to:

- Deepen our knowledge around **decimal calculations**
- Look at **statistics** and reading different kinds of **graphs**
- Recap on **angles** (types and calculating missing angles)
- Reinforce our knowledge of **methods for multiplication and division**

Catch Up

We will continue to consolidate our learning from Maths and English lessons during our catch-up sessions. We will revisit our learning on:

- **Area and perimeter**
- Telling the **time**
- Features of **2D** and **3D** shapes
- **Coordinates**
- **Reflection and translation**

RE

In RE we will explore the topics of:

- **Unity**: developing our knowledge about the Eucharist, the importance of the Our Father and why being united makes us happiest
- **Death and New Life**: exploring the meaning and importance of Lent; the events of the Easter Story, and how change can bring about new life.

Geography

In our topic of '**Hazardous Earth**', we will:

- Learn about the **structure of the Earth**
- Explore **plate boundaries** and the processes which happen at these
- Describe what causes **earthquakes** and their **impact** on our world
- Identify the features of **volcanoes** and their impact
- List ways we can **protect ourselves** against hazards

PE

This half term, we will have PE sessions from **NUFC**. In our lessons, we will be looking at net and wall games. We will explore the rules and the skills needed to be successful in these games and compete in small group games.

Music

Through our Music lessons, we will continue to:

- learn to **sing** a range of songs by a range of artists
- Continue to develop our knowledge of a range of artists in our **Musician of the Week**.

PSHE

In our PSHE lessons, we will continue to explore the **Zones of Regulation** and what these mean. We will also continue our learning through the use of our **Passport** scheme.

RSE

In our RSE sessions, we will explore:

- Our **relationship** with others.
- How we have been created **in love and to love** those around us
- How to develop **healthy relationships** and **keep ourselves safe**.

Art

In our Art topic this half term, we will be focusing on **Drawing**. We will be:

- **Experimenting** with art (having fun drawing in different ways)
- Drawing to show **tone**
- Drawing to show **texture**
- Drawing to show **perspective**
- Learning about a **range of artists** and use their work as inspiration and models for our own drawing.
