

This certificate is awarded to

Our Lady & St Anne's RC Primary School

in recognition that their pupils in Years 5 & 6 completed anti-bullying sessions
as part of the Kidscape ZAP programme
27th February 2017

As a result of being part of this session we anticipate that pupils in Year 5 & 6

- Have an increased knowledge about bullying, including the different types and the difference between bullying and teasing.
- Have a greater awareness of who is involved in bullying and the importance of the role of the bystander.
- Feel more confident in knowing how to help and in reporting bullying.
- Know more about Kidscape's one-day ZAP assertiveness workshops for 9-16 year olds who experience bullying.
