

Autumn One Term Nursery

Literacy

In literacy we will learn:

- That print has different purposes.
- To overwrite lines
- To engage in short conversations about stories
-

We are reading...

In Nursery we have a focus book which changes weekly/biweekly.

Children will be read to daily.

Phonics

In Phonics we will learn:

- How to count and clap syllables in a word.
- Recognise words with the same initial sound.

RE

In RE we will understand:

- The importance of our names.
- That god knows each person's name.
- That god knows and loves each person.

Maths

In Maths we will:

- Learn all about numbers 1, 2 and 3.
- Know that the last number reached tells you how many there are. In total (cardinal principle)
- Match objects to numeral (1, 2, 3)

Understanding of world

During our understanding of the world lessons we will:

- Use our senses in order to explore natural materials.
- Be able to talk about what we see.

Expressive arts & design

During our Expressive arts and design lessons we will:

- Explore different materials of bigger size.
- Join simple construction toys together.
- Know and use our primary colours.
- Explore different textures.

Physical Development

We will develop our fine and gross motor skills by:

- Using a knife and fork.
- Riding scooters, trikes and bikes.
- Painting and mark making.

PSED

We will develop personally, socially and emotionally by:

- Meeting our own care needs
- Playing with other children.
- Talking about our feelings.
- Understanding how others might be feeling.

Communication & Language

We will develop our communication & language by:

- Playing alongside others
- Communicating with adults and peers.
- Enjoying nursery rhymes and songs.
