

Our Lady and St Anne's

Year 4

Parents information evening

Come in and find yourself a seat!

Our school

School mission statement

"We want the best teaching, the best opportunities and the best support and encouragement for every child. We are a friendly, happy, Catholic school, where everyone is valued for their individuality and special gifts."

Motto

Our Light Shines Always (OLSA)

Behaviour

In school, our behaviour motto is
'Ready, Respectful, Safe'.

Children have 5 steps to success to achieve this:

1. Listen with respect
2. Be kind and treat everyone the way you wish to be treated
3. Take care of everything in our school
4. Be honest
5. Keep yourself and others safe

Parking

Gentle reminders about considerate parking:

- Do not drive down Summerhill Terrace beyond the bollards.
- Choose a safe parking space to drop off your children on a morning and after school.
- Avoid parking in the parking bays outside the flats.

Parent communication

We will be moving away from Parent Hub in the coming months. Please ensure you have downloaded the Arbor app as we will be communicating via Parent Hub and Arbor.

Arbor is also our online payment platform. We are a cashless school and all payments to school must be made via Arbor.

If you are struggling to access any of these channels, please speak to the office staff.

Our school website

Please remember to check our website www.olsa.org.uk regularly for all things OLSA related! There is a wealth of information about the school, including term dates and school policies, on the website which may be of use to you.

School uniform reminders

Please ensure children come to school in the correct uniform:

- Navy Blue jumper/cardigan with or without the school logo

Our curriculum

Information about our curriculum and the topics covered in class will be put on the website about the curriculum in each subject.

On the website, you will find our long term plans and medium term plans (which go into more detail about what is being covered in each subject every half term).

Our curriculum: Writing

In school, we are using the Jane Considine scheme of writing to create incredible authors!

- In Year 4, we write a range of text types:
- Fiction (story writing including myths, adventure, twisted fairytales, historical)
 - Non-fiction (letters, diaries, instructions, recounts, report and persuasive texts)

We explore the features of model texts and use these to help us be the best authors we can be!

Our curriculum: Reading

We have formal **Whole Class Reading** sessions twice times a week where we read a novel and complete a range of activities based on the story.

How you can support us:

Children will come home this week with their reading books. Please support us by listening to your child read/commenting in their journals regularly. If children could have their books in school daily, this will mean we can listen to them in school. We aim to listen to all children regularly.

Reading Eggs homework will be set, so please encourage your child to log in and use this platform.

Our reading texts

Here are some the books we will use in our Whole Class Reading sessions:

Our curriculum: Maths

We want your child to become confident and assured mathematicians who see Maths in the whole world. Our Maths lessons in school enable children to think and use their Maths every day.

How you can support us:

Talk about your child's Maths learning at home. Ask them what they've been learning and HOW they've been doing it.

Maths homework is set on a Thursday with the expectation that children complete it by the following Wednesday night. This homework is set on MyMaths.

Children are also expected to regularly access Times Table Rockstars at home.

Our curriculum: the wider curriculum

RE

We gather for Celebration of the Word in school 3 times weekly and worship in class daily.

Our RE topics cover a wide range of topics (including studying other faiths from around the world).

Science

Our Science topics this year:

- Living Things and their habitats Animals including humans
- Electricity
- Sound
- Materials – solids, gasses and liquids
- Classification

In Science lessons, we talk like, think like and act like scientists.

Assessment

Multiplication Tables Test June 2026.

Maths, SPAG and Reading.

Writing is assessed ongoing through teacher assessment.

Attendance

Attendance in school is vital for your child's education.

We pride ourselves on our attendance. We have a number of attendance incentives in place for the coming year with chances for children to win prizes for 100% attendance.

Please support us by sending your child to school every day, trying to arrange appointments outside of school time and not taking holidays during term time.

Our school day

A reminder that school gates open at 8:40am every morning (both the Villa Vic gates and the main gates). Gates close at 8:50am.

In Year 4, children are to be picked up promptly at 3:10pm from the main gate unless other arrangements are made.

Trips

We have several trips planned for this year including a residential. Details are being finalised right now. As soon as we know pricing, we will set up payment plans.

The first trip is next week on 23rd September. If you would like to volunteer your time to come and help us please let me know.

I am planning on setting up a payment plan for all the trips so you can budget over the year.

Any questions?
