

Year 1 Key Vocabulary: Abacus

Term	Place value	Addition and subtraction	Multiplication and division	Shape and measure	Fractions, decimals, percentages
Autumn 1	<p>add, counting, how many?, numbers, pairs, together, check, count back, count on, missing number, order, estimate, first, guess, less than, more than, number, second, third, dice, domino, highest, match, number card, pattern, largest, middle, smallest, empty, estimate, grouping, guess, less than, more than, nought, set, zero, between, fewest, fullest guess, least, less, more, most, sets, zero</p>	<p>number line, match, matching, number bond, number sentence, pair, how many?, missing number, number bond, number track</p> <p>Addition: next, more than, one more, add, count on, one more, two more, addition</p> <p>Subtraction: before, one less, count back, one less, take away, previous</p>	<p>Double, more, less, count on</p>	<p>Shape: Circle, corners, curved, edges, rectangle, same, sides, square, straight, triangle, half, shapes, not symmetrical, symmetry, symmetrical, table, sorting, sets</p>	
Autumn 2	<p>Add, equals, number sentence, teen numbers, teens, 1-digit, coins, ones, place value, place-value cards, tens, age, biggest, compare, comparing, in between, middle, number track, oldest, order, ordering, smallest, youngest, biggest, fewer, greater, larger, largest, less than, more than, number line, smaller, 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th, 10th, first, second, third, fourth, fifth, sixth, seventh, eighth, ninth, tenth, ordinal numbers</p>	<p>Balance, equals, number balance, number card, number sentence, pairs, the same as, matching, number fact, number track, calculation, double, pairs to 10</p> <p>Addition: Add, additions, count on, total</p> <p>Subtraction: subtract, take away, remove, subtraction, count back</p>		<p>Measure: Above, around, backwards, behind, below, beside, between, bottom, close, direction, down, far, forwards, in front of, inside, left, middle, near, outside, over, right, top, under, up, compare, in between, high, higher, highest, long, longer, longest, short, shorter, shortest, tall, taller, tallest, estimate, height, length, measure, metre, metre stick, width, centimetres, ruler, coins, fifty pence, five pence, half, largest, lowest, money, one pence, one pound, order, pennies, smallest, ten pence, twenty pence, two pence, two pounds, value, worth, amount, bigger than, equals, less than, pence, teen number, coin, fewest, fewer, greater than</p>	

Spring 1	Digit, row, column, tens, ones, between, number, formation	Tens, ones, pattern, make, number pairs, double, number story, number sentence, calculation Addition: More, after, more, total, add, addition, count on, larger, more than Subtraction: less, before, subtract, left, take away, smaller	Double, tens, counting on, counting back, fives, multiple, pattern, digit, twos, estimate, guess, 10s, range	Shape: 3D, 2D, faces, corners, edges, curved, flat, cube, cuboid, sphere, cylinder, cone, pyramid, faces, edges, corners, flat, curved, Measure: week, day, Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday, weekend, weekday, calendar, month, year, season, January, February, March, April, May, June, July, August, September, October, November, December, spring, summer, autumn, winter	
Spring 2	Odd, even, equal, half, left over, digit, share, pattern, tens, ones, teen number, coin, pence, amount, how much,	Equals, number pair, number bond, number fact, how much, how many Addition: add, total, more, altogether, count on Subtraction: subtract, take away, subtraction, fewer, count back, left, reduce, less, before, after, smaller	Count, total, altogether, fives, tens, pattern, double, add, even, odd, column	Shape: rectangle, hexagon, square, triangle, circle, whole Measure: Time, hours, clock, week, day, before, after, daytime, night time, morning, midday, afternoon, evening, weekend, weekday, months, o'clock, digital, analogue, clock, time, half past, night, minute, second, ruler, metre stick, length, longest, shortest, longer, shorter, long	Half, quarter, equal
Summer 1	More, less, below, above, right, left, add, subtract, equals, investigation, pattern, tens, ones, digit, diagonal, total, place value	Equals, pattern, predict, number facts, bond, double, calculations, bigger, bonds, pair, biggest, near double, digit, Addition: Add, more, total, increase Subtraction: take away reduce subtract, less	Half, even, odd, equal	Measure: Bigger, smaller, higher, lower, less, more, heavier, lighter, heaviest, lightest, weight, fewer, capacity, full, tallest, shortest, measure, coin, note, value, copper, silver, gold, less, worth, how much	Half, quarter, whole, part
Summer 2	Tens, ones, row, column, between, smaller, larger, greater, largest, smallest, digit, pence, coins, add, teen numbers, odd, even, pattern, biggest, place value, more, less, before, after, subtract, count	Number fact, spend, price, digit, tens Addition: add, counting on, more Subtraction: subtract, change, less	Twos, fives, tens, pattern, multiple, multiply, groups of, double, half, add, equal, ones, count	Shape: shape, circle, triangle, oval, rectangle, repeating pattern Measure: o'clock, half past, quarter past, quarter to, time, analogue, hands, digital, minutes, pictogram, common, most, least, popular, more, less, block, graph, information, length, long, short, longest, shortest, how much,	Double, half, equal, odd, even
