

Our Lady and St. Anne's Relationships and Behaviour Policy

In our school we want everyone to feel secure, safe and respected. For this to happen, everyone must play their part in behaving appropriately. Our school behaviour motto '*Be ready, be respectful, be safe*' and our Steps to Success, help us to remember how we should act.

I work and learn best when:

- Everyone is respectful, tolerant and caring
- I am in a positive learning environment where I am helped to engage in my work
- I am helped to manage my own feelings
- I am encouraged to be resilient
- I am helped to follow routines
- I have opportunities to contribute to the life of the school
- I am rewarded for my efforts

Steps to Success

Be kind and treat others the way you wish to be treated

Listen with respect

Keep yourself and others safe

Be truthful

Take care of everything in our school

Redirection

Reminder

Warning

Consequence

Redirection

This might happen if an adult notices that you are not following instructions, talking whilst others are talking, not sitting correctly, disturbing learning, distracting others etc. The adult will praise those around you who are behaving correctly or they might look at you to prompt you to make the right choice.

Reminder

If you continue to behave inappropriately an adult will remind you of our behaviour motto '*be ready, be respectful, be safe*' and our Steps to Success. You will have another opportunity to make positive choices.

Warning

If you continue to behave inappropriately, you will be given a warning about a potential consequence for your behaviour choices. The adult will remind you of positive behaviour choices you have shown previously and you will have a final opportunity to make a positive change.

Consequence

This will happen if you have not responded to warnings or if you have acted in an extremely inappropriate way such as fighting, using inappropriate language, damaging property etc. The adult will decide how much of your playtime you will miss.

Non negotiable behaviours will be dealt with differently and may result in more serious consequences

How will I know I am doing well with my behaviour?

I'll be told and
praised

Adults will tell me when I'm doing good things and my efforts are being noticed. I will also be praised when I am following our school behaviour motto, 'be ready, be respectful, be safe'. My teacher may reward me with a sticker.

Recognition
boards

If I keep showing positive behaviour, my teacher will add my name to our class recognition board as a reminder to others. This will show that I am a positive role model.

Messages home

If I keep doing well with my behaviour, my teacher will speak with my parents or send a message home to share this positive feedback and show how pleased my teachers are with my efforts,

Weekly
achievement
assembly

If my teacher is impressed with me, my name could be added to the list of stars of the week and this will be celebrated in our Friday assembly with Mrs Henzell. I will receive a special Headteacher sticker if this happens.

End of term
achievement
assembly

If my efforts are exceptional and consistent, I may be chosen as the end of term star learner and receive a special certificate for this.

Hot Chocolate
with the Head

If my efforts are exceptional and consistent, I may be chosen by my class teacher to celebrate my achievements with a hot chocolate with Mrs Henzell.
