

Autumn One Term Year 2

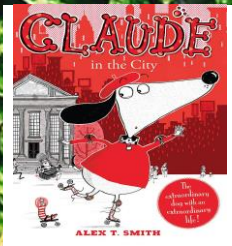

English

We are reading...

To focus on:

- writing simple coherent narratives.
- using capital letters and full stops.
- identifying adjectives.
- writing expanded noun phrases.
- Introducing conjunctions.

Children will read 1:1, in small groups and during whole class guided reading sessions.

We will be developing our fluency, pace and stamina.

Maths

In Maths we will learn to:

- estimate amounts up to 100.
- revise number bonds to 10 and extend to 20.
- learn how to double numbers.
- investigate 2d shape.
- compare and order numbers to 100.

Science

We will be looking at:

Animals including Humans

learning about

- the life cycle of different animals, including humans.
- the basic needs of animals, including humans, for survival.

RE

In R.E we will be focusing on **new beginnings**.

- talking about our own emotions as we experience new beginnings.
- understanding that God was there at the beginning of the world.
- recognising that a psalm is a song of praise to God.
- appreciating that God is always close.

Geography

In Geography we will be **exploring our place in the world.**

- locating where the UK is in the world using a globe and atlas.
- labelling the continents and oceans on a world map
- recognising our local area on a map while identifying and describing features of Newcastle upon Tyne.

Art

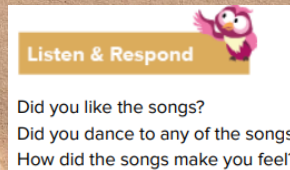

In Art we will:

- explore the **formal elements of art.**
- create repeating patterns.
- explore different textures.
- to create a picture using collage and frottage.
- to create a 3D drawing.
- to create a 3D drawing in

Music

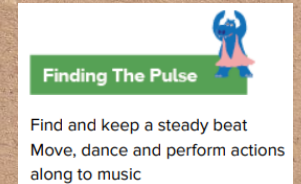

In Music we will be learning about:
How Music Helps Us To Make Friends

Through the following activities:

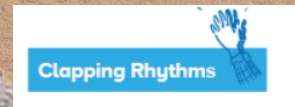

Listen & Respond

Did you like the songs?
Did you dance to any of the songs?
How did the songs make you feel?

Finding The Pulse

Find and keep a steady beat
Move, dance and perform actions along to music

Clapping Rhythms

PSHE

In PSHE we will be focusing on **emotions.**

- recognising feeling sad and identify ways to cope.
- recognising feelings of anger and identify ways to cope.
- identifying jealousy and when we feel nervous.

Computing

In our Computing sessions we will be looking at:

Information Technology Around Us

- identify IT and how its responsible use improves our world in school and beyond.
- focus on the use of IT in a shop and how devices can work together.

PE

We are excited to be working with the **Newcastle United Foundation Coaches** to develop skills related to **football and invasion games.**

We will be developing the following skills:

- Show control and co-ordination when moving at different speeds.
- Maintain balance whilst changing direction quickly.
- Show control and accuracy in order to keep possession.
- Combine changes in speed and direction to gain an advantage.
