

Autumn One Term: Year 6

English

In class, we are reading:

With a focus on:

- Using a range of punctuation
- Using different sentence types
- Developing our use of vocabulary to add description and specificity
- Using relative clauses
- Planning and writing stories which entertain
- Editing and improving a story

Children will read I:I with an adult, in small groups and during whole class guided reading sessions. We will continue to read with fluency, expression and intention.

In Guided Reading we will continue to develop our retrieval and inference skills.

Maths

In Maths, we will learn to:

- Explore **place value** in numbers up to 6 digits
- Revise methods for **addition** and **subtraction**
- Explore **algebra**
- **Conversion** of units (g/kg, ml/l)
- Telling the **time** (12 and 24 hour)

RE

In RE we will explore the topics of:

- **Loving:** learning that unconditional love is something we will always get from God. We will read the story of the Prodigal Son and learn how God's love changes the life of his believers.
- **Vocation and Commitment:** learning about the vocation of a priest, how we are "called" by God and the Sacrament of Holy Orders.

Science

We will be looking at the human body:

- Recap our knowledge about the different **body systems:** digestive, skeletal, muscular
- The **circulatory system:** its parts and their functions
- The **heart:** what it looks like and what the different parts do
- The effects that a **healthy** or **unhealthy lifestyle** have on a person

Geography

In Geography this half term, we will be learning about:

- Global ecosystems
- What is an **ecosystem**?
- Physical features of **rainforests**
- Human uses of rainforests
- The future of rainforests

PE

In our PE lessons this half term, we will be completing **circuit training** developing a range of skills including:

- **Strength**
- **Flexibility**
- **Stamina**
- **Speed**

We will also be undertaking weekly **swimming** lessons.

Music

In Music with Mr Miller, we will continue to:

- **listen** to and **appraise** songs from a range of genres
- develop our use of **music vocabulary**
- **read music** to help us accurately sing songs.

PSHE

In our PSHE lessons, we will continue to explore the **Zones of Regulation** and what these mean. We will also continue our learning through the use of our **Passport** scheme.

Computing

In our Computing sessions, we will be looking at **spreadsheets**:

- Collecting data
- **Formatting** a spreadsheet
- **Explain** formatting choices to organise a set of data
- Create a **spreadsheet** to suit a given criteria
- **Present data** in a suitable way

Art

In Art, we will continue to **improve our drawing** skills:

- By exploring **zentangle/zendoodling** techniques
- Developing skills in using **line, pattern** and **colour**
- Understand the link between **drawing** and **mindfulness**
- Spend time **evaluating** our own and others' work to improve outcomes
